

Automation Components-Elston Metrology

Distributors for:

Ram Optical Instrumentation (www.ramoptical.com)

- Sprint automatic cnc dimensional measuring systems
- Sprint semi-automatic bench top measuring systems
- Starlite bench top tool makers microscopes

Mitutoyo (www.mitutoyo.com)

- Optical comparators
- Precision hand tools
- Surface measuring equipment and tool scopes

Metronics (www.metronics.com)

- Metrology displays for vision machines, comparators and tool scopes

Scienscope (www.scienscope.com)

- Microscopes, Illuminators, magnifiers and stands
- Dimensional measuring metrology software for vision machines
- Digital cameras and video capture cards for imaging

Acu-Rite and Anilam companies (www.acu-rite.com)

- Precision glass scales and digital readout systems

Sony Precision Technology (www.sonypt.com)

- Precision magnetic scales and digital readouts
- Digital gages and displays

Navitar (www.navitar.com)

- Precision video lens, zoom lens and fixed optical lens
- Lighting accessories, camera adaptors, optical solutions

Sensor Technologies (www.sentechamerica.com)

- Color or black & white CCD cameras and accessories

Metrology Services:

- Contract measurement services (www.automation-components.com)
- Brown & Sharp Contact CMM
- Ram Optical cnc and manual dimensional measuring machines
- First article inspections, GR&R reports, capability studies
- Custom fixturing and gauging
- Training and part programming for vision and CMM applications
- Turnkey dimensional measurement solutions
- Calibrations and repairs

Manufacturing:

- Optimeasure I the “Video Vernier“ a video length measuring gage
- Length measurements from 12” to 36” standard
- Low cost length measuring gages for shop floor environments
- Visit our website (www.automation-components.com)
